

Planning Survey

Please feel free to provide any information you believe will be beneficial in developing the best “Master Plan” for this campus. Please fill out this form as complete as possible. You do not need to fill in personal information if you don’t feel comfortable doing so. We are looking for both positive and negative feedback, as well as any ideas you may have that will provide a better learning environment for our students. Thank you for your input and feel free to attach as many additional pages as you need.
